Tel: 0744244396

Address: Str. Unirii, 4

About me

I started out as a freelance fashion designer driven only by my passion for creating clothes. Soon, I was scouted by a girl gaming company and learned a new style of drawing, a more girly approach and then the basics of flash animation. I parted ways with IdeaStudios and continued to work with them as a freelance, but focused the last few years on my work with girlgames.net.
