## About Me:

I am a designer and developer located in Wellington, currently employed at a web company. In my current role, I thrive in a collaborative Agile environment, actively participating in stand-ups, scrums, and Kanban processes, contributing effectively within a team.

I am now seeking an exciting work environment that primarily focuses on user-centred and graphic design. I aspire to further develop my skills and have a meaningful impact on the company's growth and success.

## Work Experience:

Lead Designer at Xequals

- Cuba Street, Wellington, 2020-present

Graphic Designer at Flinch Marketing

- Wakefield Street, Wellington, 2018-2020

UX Designer at BNZ

- Featherston Street, 2017-2018

## University Experience:

Diploma in Web Development and UX Design

- Yoobee School of Design

Diploma in Software Development

- Whitecliffe College

## Skills:

Graphic Design - posters, pamphlets, typography, booklets, adverts, presentations, portfolios, social media.

UX Design - wireframing, interactive prototyping, information architecture, the Adobe Suite, personas, surveys, testing, knowledge on user experience.

Web - HTML, CSS, Javascript, PHP and react, have done some redux, python, wordpress and java, previously.
